Senior Tuition Waiver

The Senior Tuition Waiver allows residents of Washington State, 60 years and older, to enroll on an audit basis in up to two state funded courses, on a **space available** basis each quarter. Students **must** be a Washington State resident whose domicile has been within the state for at least one year prior to the intended quarter of enrollment. State issued ID must be shown at time of registration. This waiver is not available to international students. This waiver may not be used for Continuing Education courses. The cost is \$5.00 per class, plus fees.

1. Apply to and be accepted to North Seattle College, it's free!
2. Attend the first day of class (if the class is in-person) and receive permission to enroll on a space available basis from the instructor. Ask permission to visit the class until you can officially enroll. If the class is online, secure permission via email.
3. **Official registration with the waiver occurs after the quarter start date.** If there is space, you may officially enroll between the 6th and 10th day of the quarter (5th through 8th in Summer quarter). Senior Waiver forms are available at the Enrollment Services window, in the College Center building and online. Please complete the form in its entirety. Your instructor **must** sign this form.
4. Bring the completed Senior Waiver form **AND** your state issued ID to the Enrollment Services window or submit to @NSCRegistration@seattlecolleges.edu. Next, pay for the class. Any additional charges for ID card, lab fee, parking, books or supplies will be your responsibility.
