About the Pathway

This pathway is designed to meet the Bachelor of Applied Science (BAS) in Residential and Commercial Property Management (RCPM) degree requirements. Completion of this degree opens doors to a variety of careers in Residential or Commercial Property Management.

Students in this pathway learn how to manage properties: develop marketing and leasing strategies, operate within legal guidelines, interpret financial data, analyze and evaluate market trends, communicate with and manage stakeholders, and apply sustainable operations and maintenance alternatives.

Length of Program

90 credits from previous college/university + 90 credits from RCPM BAS pathway = 180 total credits required for graduation. The full-time RCPM BAS pathway takes 6 quarters to complete assuming students are taking 15 credits per quarter.

Which Quarter Can I Begin?

Fall Quarter.

Class Times/Delivery Format?

All 300/400 level classes (RCPM, INFO, CWE) are offered as evening hybrid classes. The 300/400 classes are held from 6:00–9:00pm on Tuesday and Thursday nights in Year 1 of the program, and Monday and Wednesday nights in Year 2 of the program. All 300/400 level courses follow a specific course sequence beginning in fall quarter, with 10 required credits per quarter. Any 100/200 level courses (general education or elective) do not follow this schedule and can be taken in-person, hybrid, or online based on class availability.

Future Education Opportunities

This is a bachelor's degree from a regional accredited college, which allows students to pursue master's degrees at four-year universities. Program and admissions requirements vary from college to college. The RCPM program aligns with the following professional designations:

- National Apartment Leasing Professional (NALP)
- Certified Apartment Manager (CAM)
- Accredited Residential Manager (ARM)
- Accredited Commercial Manager (ACoM)
- Certified Property Manager (CPM)

Students completing the RCPM program are eligible to take the certification examinations and enter a fast track to the credentials. Learn more here:
