Name: _____ SID#: _____

What is your program of study at NSC? _____

Advisor's Name: _____ Advisor's Phone: _____

A GPA is the average grade for all of the courses taken at NSC. At NSC, as well as most colleges, a minimum 2.0 GPA is required to maintain academic progress, comply with financial aid standards, and graduate.

*What was your quarterly GPA? _____ *What is your cumulative GPA? _____

Based on the completed Student Success Survey (on reverse), please answer the following questions.

1. What areas need improvement to be successful at North Seattle College?
2. Are you aware of the resources available on campus? What resources have you accessed?
3. What is your plan to be more successful at North Seattle College in future quarters?

Please review the following statements and your educational plan with your advisor and sign below. After this meeting your registration hold will be removed and you may register for classes.

- I understand the three stages of Academic Alert/Low Scholarship and the consequences of each stage.
- I understand I am on Academic Probation and that if my quarterly GPA is less than a 2.0 when grades are posted, I will be placed on Academic Suspension from North Seattle College for one year.
- I understand that if I register for classes next quarter and I am then suspended, I will be administratively withdrawn from North Seattle College.
