## About the Pathway

This pathway is designed to meet Bachelor of Applied Science (BAS) in Residential and Commercial Property Management (RCPM) degree requirements. Completion of this degree opens doors to a variety of careers in residential or commercial property management.

Students in this pathway learn how to manage properties: develop marketing and leasing strategies, operate within legal guidelines, interpret financial data, analyze and evaluate market trends, communicate with and manage stakeholders, and apply sustainable operations and maintenance alternatives.

## Length of Program

90 credits from AAS-T\* + 90 credits from RCPM BAS pathway = 180 total credits required for graduation. The part-time RCPM BAS pathway takes 9 quarters to complete assuming students are taking 10 credits per quarter.

\*AAS-T in Accounting, Business or Real Estate at North Seattle College

## Which Quarter Can I Begin?

Fall Quarter.

## Class Times/Delivery Format?

All 300/400 level classes (RCPM, INFO, CWE) are offered as evening hybrid classes. The 300/400 classes are held from 6:00 - 9:00pm on Tuesday and Thursday nights in Year 1 of the program, and Monday and Wednesday nights in Year 2 of the program. All 300/400 level courses follow a specific course sequence beginning in fall quarter, with 10 required credits per quarter. Any 100/200 level courses (general education or elective) do not follow this schedule and can be taken in-person, hybrid, or online based on class availability.
