Failure to qualify by the end of 2 years will require retaking the EMT course.</li> </ul>

# Pathway: Emergency Medical Technician (EMT)

## **About the EMT Map**

This pathway meets EMT certification requirements. Completion of this certification opens doors to a variety of careers in various healthcare or public safety settings including ambulance companies, fire departments, ski patrol, search and rescue, some police departments, emergency departments, and hospitals.

Students in this pathway develop skills in patient assessment and management, splinting injuries, bleeding control spinal immobilization, patient extrication, and administration of emergency medications.

#### **EMT Job Requirements**

- Compassion. EMTs and paramedics must be able to provide emotional support to patients in an emergency, especially patients who are in life-threatening situations or extreme mental distress.
- Interpersonal skills. EMTs and paramedics usually work on teams and must be able to coordinate their activities closely with others in stressful situations.
- Listening skills. EMTs and paramedics need to listen to patients to determine the extent of their injuries or illnesses.
- Physical strength. EMTs and paramedics need to be physically fit.
   Their job requires a lot of bending, lifting, and kneeling.
- Problem-solving skills. EMTs and paramedics must evaluate patients' symptoms and administer appropriate treatments.
- Speaking skills. EMTs and paramedics need to clearly explain procedures to patients, give orders, and relay information to others.

State requirement for certification include:

- must be 18 years of age or older to be certified per WAC 246-976-141
- copy of current EMT course completion certificate
- proof of successful completion of the NREMT exam
- · high school diploma or GED

# **Career and Income Opportunities**

- EMT
- · Emergency Department Technician
- Firefighter\*
- Paramedic\*
- · Dispatcher\*

\*Additional training or education is required for some careers listed above.

For current employment and wage estimates, please visit and search at <a href="https://www.bls.gov/oes">www.bls.gov/oes</a>.

Median Hourly Earnings/Projected Job Growth between 2018-2028\*

Annual income for an EMT ranges from \$25,417 to \$32,834 (\$34,874 in the Seattle area). Wages are lower at general medical and surgical hospitals (\$23,250) and on ambulance crews (\$20,350), and highest with fire departments. Hourly wages range from \$11.28 to \$24.00/hour (entry-level to 20 years experience).

#### **Considerations:**

EMT is an entry level job but the growth potential is large. After EMT students move on to Public Safety (Fire Fighter or Police jobs) or Paramedic. Many students also use their entry level EMT experience as pre-requisites to apply to Medical or Physician Assistant school.

#### Which quarter can I begin?

Any.

#### **Tuition and Fees for EMT Course**

- \$1,313.81 (includes \$193.56 state tuition, \$1,100.00 college self-support lab fee, \$5.25 UC fee, and \$15.00 Medical Malpractice Insurance fee)
- Textbooks cost will vary based on rental or purchase fee\*
- Student kit- \$80-\$100
- · Uniform shirt and name tag- \$40

## **Tuition and Fees for CPR Course**

 \$141.38 (\$16.13 state tuition and \$120.00 college self-support fee, and \$5.25 UC fee).

\*Please note that these costs are estimates and may vary.

#### **Apply for Funding**

Some students may be eligible for Workforce Education tuition assistance programs depending on program of study, family income and family size, DSHS assistance, unemployment/employment status of self or spouse, or veteran status. Take this short survey to find out if you pre-qualify for funding at: <a href="https://www.StartNextQuarter.org">www.StartNextQuarter.org</a>. Students may also be eligible for additional scholarships.
