

Electronics Technology AAS – ECTETAPT, 630A

Requirements Effective Spring 2024

Program Planning Guide

Program Description: The Electronics Technology degree program provides opportunities for students interested in the operation, maintenance, and repair of a wide array of electronics-based equipment through a broad foundation in electronics training. Instruction emphasizes a hands-on approach, use of sophisticated test equipment, and a solid base of information concerning computer hardware and software for technical applications.

This program offers job training directed toward immediate employment and future advancement with companies specializing in manufacturing or servicing all types of electronic equipment. Our graduates are preferred by industry employers and perform well in advanced training.

Prerequisites: Many classes have prerequisites. Prerequisites are those classes that prove eligibility for entry-level classes by testing or by having satisfied prior course work. Course work earned at other institutions must be unofficially evaluated or approved by a program advisor before registering. Courses in this degree with prerequisites are marked with an asterisk (*). See catalog for more information.

Electronics Technology AAS Prerequisites: Placement into ENG 097/098 or higher, Placement into MATH 084 or higher or successful completion of equivalent class (or higher) and BUS 169 or equivalent computer experience.

Note: Advanced placement testing, work experience, and transfer of credits may result in course waivers, credit transfer, and advanced placement.

Program Requirements		
Course Number	General Education/Related Instruction Requirements (28-30 credits)	Credit Hours
ENGL& 101* or ENGL& 235*	Composition or Technical Writing	5
Human Relations Elective	BUS 236 Interpersonal Communication in the Workplace (preferred) or any approved Human Relations course	5
EET 109* or MATH& 142*	Mathematical Applications for Circuit Analysis or Pre-Calculus 2	5
US Cultures/ Global Studies Elective	BUS 112 Multi-Cultural Communication in the American Workplace (preferred) or any approved US Cultures or Global Studies course	5
Technical Elective	Select any 2 non-required courses from: CHEM, CSC, EEL, EET, ENGR, MATH& 141* or higher, BUS 210*, BUS 229*, or IT 111* or more advanced	8-10
Course Number	Degree Requirements (81 credits)	
EET 105	Introduction to Technology	2
EET 106*	Introduction to Soldering	1
EET 107*	Introduction to Aviation Electronics	5
EET 108*	Introduction to Fiber Optics	5
EET 112*	Fundamentals of Fluid Power	5
EET 114*	Applied Physics	5
EET 131	IT Essentials – A+ Certification	5
EET 132*	IT Essentials – A+ Certification Advanced	5

EET 137*	Introduction to Robotics	5
EET 138	Industrial Robotics	5
EET 161*	D.C. Principles of Electronics	5
EET 162*	A.C. Principles of Electronics	5
EET 163*	Solid State Electronics	5
EET 165*	Analog Circuits and Devices	5
EET 170*	Digital Electronics & PLCs I	5
EET 171*	Digital Electronics & PLCs II	5
EET 203	Programmable Logic Controllers	5
EET 219*	Metrology and Measurement Science	3
		Total Credits: 109-111 (excluding prerequisites)

Program Outcomes

- Identify and apply technical concepts and terms used in the field.
- Analyze and troubleshoot electronic systems.
- Use and configure computer hardware, operating systems, and basic networks.
- Use word processing and electronic circuit simulation software.
- Repair, maintain, and install electronic and electrical systems.
- Locate, evaluate, and apply relevant information from various sources to address workplace problems.

What Skills do I need to be successful in this field?

- <http://www.onetonline.org/link/summary/17-3023.01>

What are some potential job titles?

- Electronics Technician
- Electronics Engineering Technician
- Engineering Aide
- Failure Analysis Technician

Wages, employment trends and pathways

- <http://www.onetonline.org/link/summary/17-3023.01#WagesEmployment>

Course Sequence: This program of study is outlined by quarter, and courses should be taken in the indicated sequence. However, it should not be concluded that students will always proceed through their program of study exactly as prescribed here. The number of quarters listed here is minimal. Not all courses are offered every quarter. Individual student experiences, educational and training background, and personal schedules and demands all may affect the time it takes to finish this program. Summer quarter is included in the sequence below for this program.

1st quarter: EET 105, EET 109 or MATH& 142, EET 161	12 credits
2nd quarter: EET 106, EET 131, EET 162, EET 170	16 credits
3rd quarter: EET 132, EET 137, EET 163	15 credits
4th quarter: ENGL& 101, Technical elective	9-10 credits
5th quarter: EET 112, EET 165, EET 171	15 credits

6th quarter: BUS 112 (or approved US Cultures or Global Studies elective), EET 114, EET 203,
EET 219 18 credits

7th quarter: EET 107, EET 108, EET 138 15 credits

8th quarter: BUS 236 (or approved Human Relations elective), Technical elective 9-10 credits
