To Do List – A Guide to Help You Meet Your Goals

Quarter 1

- Obtain add codes to register from program coordinator.
- Complete immunizations in preparation for externship (starting in quarter two).
- Begin creating your program portfolio.
- Contact the program coordinator for program tutor availability.
- Drop by the Library to get help with research; check out resources; access computers and study space; and create media projects.
- Check out campus life: student clubs, Equity & Welcome Center, Fitness Center, etc.

Quarter 2

- Update competencies, cover letter, and resume in your portfolio.
- Obtain add codes to register from program coordinator.
- Visit Career Services office in the OCE&E Building to learn about career/job exploration, resources including LinkedIn.
- Create a LinkedIn profile and clean up your online presence.
- Download the Pharmacy Technician Certification Board (PTCB) app on your phone to complete practice questions.
- Consider joining local and national pharmacy organizations (NPTA or WSPA).
- Apply for graduation for the Certificate in Pharmacy Technician with your assigned advisor.

Quarter 3

- Update competencies, cover letter, and resume in your portfolio.
- Attend the Healthcare Career Fair in May.
- Add classmates on LinkedIn to grow your network and stay in touch.
- Take the PTCB national exam as early as 30 days prior to graduation or after completing the program.
- Order cap and gown for commencement and join alumni association.
- Attend on-campus graduation fair and commencement ceremony.

Approximate Costs Each Quarter

Tuition & fees for:

WA state residents	\$1,555.00
International students:	\$3,297.95
Books, supplies, and miscellaneous fees	\$475.00

Please note that these costs are estimates and may vary.

Apply for Financial Aid and Other Funding

All students in need should apply for financial aid. Don't assume you are not eligible. Visit <https://northseattle.edu/financial-aid> to learn more about the application steps and types of financial aid available, including grants and scholarships you don't have to pay back.

Some students may be eligible for Workforce Education tuition assistance programs depending on program of study, family income and family size, DSHS assistance, unemployment/employment status of self or spouse, or veteran status. Take this short survey to find out if you pre-qualify for funding at: www.StartNextQuarter.org.

Which quarter can I begin?

Fall.

Length of Program

56 credits = 3 quarters if you take 18-19 credits per quarter.

Class Times/Delivery Format?

North offers pharmacy tech classes hybrid (part on campus, part online) in the day time one to two full weekdays.

Find Out More

Visit northseattle.edu/programs/pharmacy-technician to learn more about this pathway or contact Leann Dittmar, Program Coordinator, at leann.dittmar@seattlecolleges.edu or northseattle.edu/advising/contact or call (206) 934-3658.
