Notes:

Motion:

To approve the proposal for FY 26 budget savings as presented ([Budget Reductions Overview 4.09.pptx](#)) contingent upon:

- Voluntary furloughs are provided before mandatory furloughs and a process is identified to implement this.
- If furloughs are mandated, that it includes a hardship exemption beyond \$67K
- Provide for Tier furloughs where higher earners contribute more to the furlough
- Union consultation is in place for RIF and Furlough
- Stipends and reassigned time plus section savings will continue to have programmatic impact analysis with Program Leaders (e.g. Dean, etc.)
- Consideration of additional cost savings provided by College Council
