Quarter 6

- Order cap and gown for commencement and join alumni association.
- Attend on-campus graduation fair and commencement ceremony.
- Return any rental items to the library.
- Add your classmates on LinkedIn to grow your network and keep in touch.

About the Pathway

This pathway meets requirements for the Bachelor of Applied Science (BAS) degree in Early Childhood Education. Completion of this degree provides an opportunity for students who have completed an Associate of Applied Science (AAS) in Early Childhood Education or a related program to continue their studies. This pathway assumes previous completion of an Associate of Arts degree. Completion of this degree opens doors to a variety of careers in family child care, public and private preschools, family support, and administration.

Students in this pathway develop skills in professional development training for early care and education professionals, allowing them to keep pace with the increasing professionalization of the field. The curriculum aligns with accreditation standards established by the National Association for the Education of Young Children (NAEYC). We aim to prepare educators who are skilled in addressing and undoing barriers of inequity and misinformation. This emphasis upon anti-bias education forms the foundation of our curriculum and programming.

Students in this pathway develop and apply advanced skills in child development, anti-bias education, supporting child outcomes across developmental domains, curriculum development, evaluation and assessment, and behavior guidance. This does not grant K-8 teacher certification.

Career Opportunities

- Lead Teacher in early childhood setting
- Director level positions
- Curriculum Coordinator
- Professional Development Coordinator
- Family Support Specialist
- Before and After School Care Director
- Early Learning Coach

For current employment and wage estimates, please visit www.bls.gov/oes.

Apply for Financial Aid and Other Funding

All students in need should apply for financial aid – do not assume you are not eligible! Visit <https://northseattle.edu/financial-aid> to learn more about the application steps and types of financial aid available, including grants and scholarships you don't have to pay back.

Some students may be eligible for Workforce Education tuition assistance programs depending on program of study, family income and family size, DSHS assistance, unemployment/employment status of self or spouse, or veteran status. Take this short survey to find out if you pre-qualify for funding at: www.StartNextQuarter.org.

Depending on your work place, you may be eligible for Early Achievers funding. At the bachelor's level, funds are distributed through Child Care Aware. Link: <https://childcareawarewa.org/providers/>

Once admitted to the program, check your Canvas BAS Advising page for additional funding opportunities.

Length of Program

60 credits upper division ECE + 120 additional credits = 180 credits total. These credits take approximately two years to complete.

International Students

Contact international programs and academic advisor for additional admissions, practicum and visa information.

Class Times/Delivery Format?

North offers courses on-campus evenings, online, in the day time, or hybrid (part on-campus, part online), Monday-Saturday.

Find Out More

Visit northseattle.edu/programs/early-childhood-education to learn more about this pathway, or contact the Early Childhood Education advisor at ecinfo@seattlecolleges.edu or [206-934-6029](tel:206-934-6029).

Which quarter can I begin?

Upper division classes begin fall quarter, but students can begin work on prerequisites/electives/general education requirements any quarter.

Future Education Opportunities

Once you complete the BAS degree, additional education opportunities include:

- A Master's degree in Early Childhood Education, Social Work, Child, Youth, and Family Studies, Education (such as Special Education, Higher Education, Educational Policy, and Curriculum and Instruction), Public Administration, Human Development; Children's Literacy or a related field.

Program and admissions requirements vary from college-to-college. Contact an advisor to create an educational plan tailored to transfer to the institution of your choice.
